

LOVELINES Personal Messages

Orders due March 1st

\$10 photo & message

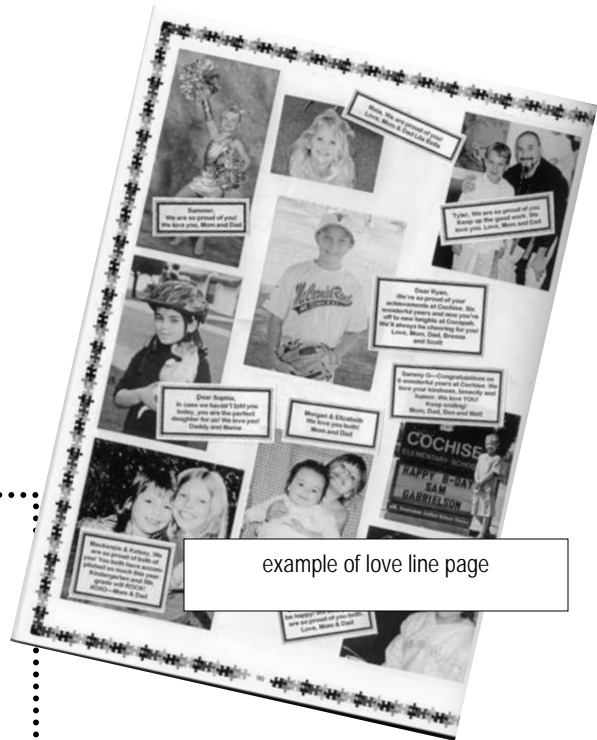

\$5 message only

What is a yearbook loveline?

A love line is a space you purchase in the yearbook. You can write a message to your child, honor a teacher, or both. You can include a photo as well.

Can I place more than one loveline?

Of course, you can place more than one. Please separate orders so we understand what messages and photos go together.

Person placing the loveline:

Phone number in case of questions:

Person the loveline message is to:

Hard Copy Photo and Message

Email Photo and Message to cdawnhudson@aol.com

Use this space to write your message or write that you are submitting electronically. I need the form so I have record of the lovelines I have received. Please keep your message to a reasonable length. Place message and photo in an envelope marked "Yearbook Loveline" and turn into the Cochise front office. Don't attach photos with paper clips or staples. **Checks should be made payable to Cochise APT.**

You only have to write one check for both yearbook and loveline orders.
